

General Specifications

ADMAG Series Magnetic Flowmeter List of RoHS (2011/65/EU) Directive Compliant Products

GS 01E20S00-01EN

■ Overview

This is a list of conformity with the RoHS (2011/65/EU) Directive for ADMAG Series Magnetic Flowmeter. For ADMAG Total Insight series, read the following general specifications.

[Model and Doc No.] AXG###, AXG4A : GS 01E22A01-01EN
AXW###, AXW4A : GS 01E24A01-01EN

■ Identification by manufacturing country

The status can be identified by the serial number and the manufacture date on the nameplate. The first two characters of the serial number provide the country of production (manufacturing factory) as below.

S5 : China (Yokogawa Electric China Co., Ltd)
91 : Japan (Yokogawa Manufacturing Corporation Kofu Factory)
D1 : Germany (Rota Yokogawa GmbH & Co.KG)

■ Maintenance and Repair

The parts for maintenance or repair may not be compliant with RoHS Directive. Please be aware that a RoHS Directive compliant product becomes a non-compliant product if maintenance or repair with RoHS Directive not-compliant parts is provided to it.

■ Products of conformity with the RoHS (2011/65/EU) Directive (*1)

Model	Manufacturing Country	RoHS Compliance Status	Manufacturing Start Date of RoHS Compliant Product
AXF###C, AXF###G, AXF###H, AXF###W	China	Completed	June 1, 2017 (*2)
	Japan		July 1, 2017 (*2)
	Germany		July 1, 2017
AXFA14C, AXFA14G	China		June 1, 2017 (*2)
	Japan		July 1, 2017 (*2)
	Germany		July 1, 2017
AXFA11G	China		June 1, 2017 (*2)
	Japan		July 1, 2017 (*2)
	Germany		July 1, 2017
AXR###C, AXR###G	China		June 1, 2017 (*2)
	Japan		July 1, 2017 (*2)

*1: Except special order product (Tokuchu) without CE Marking.

*2: June 1, 2017 (order entry date) for special order product (Tokuchu) with CE Marking.
